Re The “Practically Speaking” Workshop Series

We invite the University community to participate in a workshop series addressing a variety of topics, practices and policies where students, faculty and staff frequently engage with the Dean of Students Office. Primarily designed for faculty and staff, the interactive workshops are facilitated by Dean of Students Office personnel, and provide the campus community with an opportunity to gain insight into the Dean of Students Office’s work, including student issues (veterans, student organizations), campus safety initiatives (student health, behavioral issues), policies (academic integrity, code of conduct), and hot button issues (freedom of speech, harassment).

The “Practically Speaking” Workshop Series includes the following topics:
