FREEDOM TO FLY!

All Interns take advantage of FREE, unlimited space-available travel to anywhere that Southwest flies.

LUV WHERE YOU WORK

Interns are treated like Employees from the very first day. Every semester, there are a variety of FUN Culture events that allow you to meet and mingle with other Interns and Employees from different

Departments. In addition, Southwest has a casual dress code 365 days of the year.

CAREER DEVELOPMENT

Interns are challenged to grow in their professional lives. Past Interns have written for Southwest publications, proposed procedures for airport compliance, and researched financial growth opportunities

in international markets. All of these projects have had a direct impact on Southwest’s success. Interns are also encouraged to attend events such as Career Day, Days in the Field and a Myers-Briggs type indicator workshop.

HAVE FUN, GET PAID!

We value our NoLimits Interns and all of their contributions. Not only do Interns have FUN and enjoy their work, but they get paid as well!

SERVE YOUR COMMUNITY

Interns have the chance to participate in service opportunities throughout the Dallas community.
