“My time abroad in Hong Kong was no doubt one of the most memorable summers of my life. My internship was rewarding in more ways than one because apart from gaining experience and adding to my skill set I also learned a lot about myself.”

Lauren Findlow -Marketing Major - Hong Kong 2013

“Overall this summer has allowed me to experience both aspects of my double major with a marketing and technological take as well as gaining the international experience people speak about.”

*Robert Roberto - MIS & Marketing Major
