- 🐾 Educational expenses are charged to your Bursar's account (tuition, fees, on campus-housing, meal plans, etc.). Some are considered "allowable" educational expenses and then there are other educational expenses. You want your aid to pay your bill in full.
- 🐾 Financial Aid disburses approximately ten days before each semester begins.
- 🐾 Set up web refund on UAccess so that funds go directly to your bank account!
- 🐾 There are 2 Disbursements: Fall & Spring
- 🐾 Your financial aid awards are based on your enrollment. If you are <full time, your aid may be adjusted. Scholarships will not disburse unless you are enrolled in 12 units.

## 1. Does withdrawing from all classes affect financial aid?

- Absolutely! Students should review the withdrawal policy prior to withdrawing:

<http://financialaid.arizona.edu/managing-my-aid/withdrawal-and-return-title-iv-funds-r2t4-policy>

## 2. Is there a point in the semester that a student has earned all of their aid?

- If a student completes 60% of the term (a date will be noted for current semester on above website), there is no return of federal funds.
- If their college has a different start and end date (Dynamic Classes), contact the financial aid office for the 60% date. If a student is enrolled in a summer class, or any dynamically dated class (module or 7 ½ week course), they should drop a (future) class they do not wish to attend prior to ending their current enrollment in a class.

### **3. If a student withdraws for medical reasons, will federal aid be returned?**

- A return to Title IV calculation will be performed. No federal exceptions for medical reasons.
- The University may provide a supplemental refund of tuition, if the medical documentation is approved through Campus Health.
