

TRANSFERABLE / NON-TRANSFERABLE COURSE WORK

This guide applies to all out-of-state schools.

All transferable courses from ASU & NAU will be given departmental elective credit.

Use the Course Equivalency Guide for all transfer work from in-state community colleges.

TRANSFERABLE - less common subjects

NON-TRANSFERABLE

Adult development & Aging = PSYC Anatomy & Physiology = PSIO Anthropology/Archaeological Field credit Arabic = ARB Architecture (4 yr) = ELCR Botany = ECOL Buddhism = EAS Business English (4 yr) = ELCR Business Law (4 yr) = ELCR Business Writing (4 yr) = ELCR Cell Biology = MCB Computer Literacy (4 yr) = ELCR Computer Software/Programming = ELCR C, C#,C++, UNIX Criminal Justice (4 yr) = MAP / (2 yr) = ELCR Criminal Law = ELCR Criminology = SOC Dietetics (4 yr) ELCR Drama = T AR Earth Sciences = GEOS East Asia = EAS Education (4 yr) Emergency Care = ELCR Engineer Mechanical-Statics = C E Engineering Graphics = C E Engineering Mechanical Dynamics = A ME Environmental Law = RNR Environmental Science = SWES Fashion Design = ELCR Film Production = M AR Fluid Mechanics = C E Forestry = RNR Genetics = ELCR Geology Field Camp (4 yr) = GEOS Greek = GRK Hebrew = JUS Hindi = EAS	Architecture (2 yr) Building Trades Business English (2 yr) Business Law (2 yr) Business Writing (2 yr) Circuit Training College Survival, Orientation, etc. Colloquium Computer Literacy (2 yr) Computer Software/Programming Java,Basic, COBOL HTML, LINUX, Microsoft Windows Cooperative Education CPR Critical Thinking (student can appeal) Culinary Arts or Dietetics (2 yr) Directed Studies / Readings (See Indep. Honors Courses = ELCR	Mathematics
Human Anatomy = ECOL	Business Mathematics (2 yr)
Human Anatomy & Phisiology + PSIO	Electronics Mathematics
Human Development = FSHD	Elementary Mathematics
Human Sexuality = FSHD	Freshman Math (chk school crse desc.)
Individual Music Instruction = MUSI	Fundamental Algebra
Industrial Hygiene (OSHA) = ELCR	Fundamental Mathematics
Information Literacy = ELCR	Mathematic Concepts
Intro Circuits & Electricity (ENGR) = ELCR	Mathematics of Design
Intro to Computers (4 yr)	Technical Mathematics
Intro to Digital Systems = ECE	Pre-Algebra
Kinesiology = ELCR	Introductory Algebra
Language Study = CRL	Any Mathematics course from U of Phoenix
Law Courses = ELCR	Medical Technology
Limnology (study of inland waters) = ECOL	Medical/Nursing Assistant
Lithography = ART	Meditation
Lyceum (Lecture Hall) = ELCR	Outdoor Survival/recreation
Marketing = ELCR	Personal Development
Mathematics	Personal Finance
Intermediate Algebra = MATH Elective	Personal Health and/or Wellness
(Summer 2007 - forward)	Practicums
Math for Liberal Arts = MATH	Reading
Math for Social Sciences = MATH	Real Estate
Math Modeling = MATH	Recreation
Mechanics of Materials = ELCR	Religious Doctrine
Meteorology = ATMO	Research
Mexican American = MAS	Seminars
Middle East = NES (Asia, India, Israel, Pakistan)	Senior Capstone/Project/Honors Thesis
Molecular Biology = MCB	"Skills" in course title
Morphology = CLAS	Special Topics w/o course topic
Natural Resources = RNR	Stress Management
Nutrition = N SC	Student Teaching
Oceanography = ECOL	Study Abroad - Food & Wine ("culture" not in title)
Organic Chemistry = CHEM	Surveying (2 yr)
Parasitology = V SC	Technical Writing (2 yr)
Pedagogy = ELCR	Theology/Doctrine
Persian = PRS	Tourism
Persausion - COMM	Travel, Food & Wine
Photography = ART	Viniculture (growing grapes for making Wine)
Physical Education = PE	Workshops
Physical Science = ELCR	UCLA - Extention courses for certificate pgms
Reporting News = JOUR	X300 or X400 level
Retailing = RCSC	UC-Berkeley Extension crses for Certificate pgms
Robotics = SIE	X300 or X400 level
Semantics = LING	Institutional exam credit from out-of-state schools
Sexuality = ELCR	
Sign Language = SERP	
Social Work = ELCR	
Study Abroad - Food & Wine ("culture" in title)	

Surveying (4 yr) = ELCR
Technical Writing (4 yr) = ELCR
Textiles = RCS
Vertebrate = ECOL
Video Production = M AR
Weather = ATMO

UCLA - Extension crses for degree pgms
X or XL plus 1,2, or 3 digit # to 199
UC - Berkeley - Extension crses for degree pgms
X or XB plus 1,2, or 3 digit # to 199
UC - other campuses have similar system
Washington Comm Coll Sys - telecourses = ELCR

U Montana - Forestry 311: Conservation Biology in the Northern Rockies (3 units)
- part of Wild Rockies Summer Semester
- Environmental Studies 311: Community Based Conservation in the Northern Rockies (3 units)
- part of Wild Rockies Summer Semester
- Environmental Studies 311/Forestry 311: Ecological Restoration in the Northern Rockies (3 u)
- part of Wild Rockies Summer Semester
- NRSM 311: Restoration Ecology/Natural Resource & Science Management (3 units)
- Restoration Ecology in Greater Yellowstone
- NRSM 311: Alaska Rainforest/Natural Resource & Science Management (3 units)
- Public Lands Issues in Southeast Alaska
- ENST 395: Alaska Rainforest/Environmental Studies (3 units)
- Public Lands Issues in Southeast Alaska
- PHL 395: Environmental Ethics/Climate Change & Visions of a Sustainable Future (3 units)
