

Opportunities to Present

Attend and Present

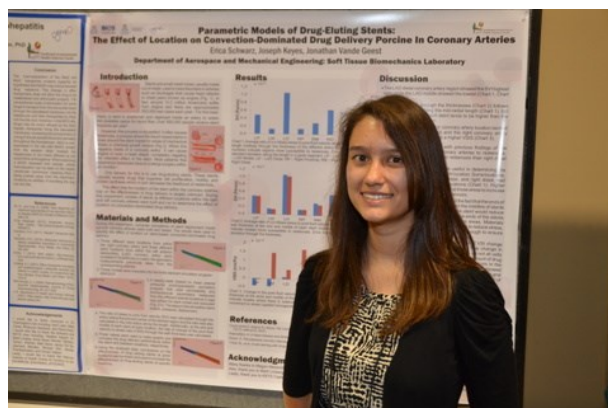

Students apply at AZBioAwards.com for the opportunity to present your senior or bioscience projects to the bioscience community.

The AZBio Awards is the place where people can celebrate the accomplishments of the bioscience community. Meet, connect, and engage with hundreds of innovators, researchers, and entrepreneurs. The AZBio Student Discovery Zone is designed to showcase the latest advancements in bioscience research from Arizona's High Schools, Community Colleges, Research Universities, and Medical Schools. Posters are displayed in the gallery throughout the AZBio Awards exhibit and networking sessions.

Students who Present Receive:

- 1 Full Access Ticket to the AZBio Awards 2015
- Opportunity to showcase your project to Bioscience Leaders

*Applications are Due by Tuesday, September 15th.

Connect - Showcase - Collaborate

Join us October 1st to connect with Arizona's bioscience community and the innovators who we are celebrating the achievements in the bioscience industry.

Come be a part of the celebration!
