Career Services & the Faculty Fellows Program Present:

**Enterprises & Careers On-Campus:
Tour of the UA Mirror Lab**

**Wednesday, October 28th, 2015
All Majors Welcome!**

As part of the Faculty Fellows Program hosted by Career Services, Professor and Engagement Faculty Fellow, Eleni Hasaki, is launching a series of tours featuring many of the UA's world-famous laboratories and campus enterprises where faculty, students, and industry partners collaborate to produce cutting-edge research and technology.

At the University of Arizona's Richard F. Caris Mirror Laboratory, scientists and engineers are making giant, lightweight mirrors of unprecedented power for a new generation of optical and infrared telescopes. Come join us to tour the UA Mirror Lab and speak with subject-area experts including Distinguished Faculty Fellows and Astronomy Professors, Don McCarthy and Ed Prather, about their pathways into this exciting field.

Where: Richard F. Caris Mirror Lab (Located on the East Side of Arizona Stadium-527 Championship Dr.)

When: Wednesday, October 28th from 3:00 PM—4:30 PM

Registration: Register online through Career Services at <http://bit.ly/1GipT6F> by Tuesday, October 27th.

This event is free. Space is limited to 20 students. Please wear close-toed shoes. With questions about access or to request any disability-related accommodations that will facilitate your full participation in this tour please contact Mary Frances Kuper at mmiller@email.arizona.edu

Questions? Contact Eleni Hasaki at hasakie@email.arizona.edu.
