

ADVISOR BULLETIN

September 26, 2016

A BIG THANK YOU!

This past summer many of you participated in the calling campaign reaching out to students who had not enrolled for the fall semester. Please know that your efforts are noticed and appreciated! A number of students commented that hearing from their advisor was very helpful. Thank you!!

Second Start Update

THE LAST DATE to turn in the [registration](#) for [Second Start](#) (SS) is Friday, September 30th. Please take advantage of this one-time extension in deadline. A few notes about this first semester of implementation:

- 242 students appear on the SS report in UAccess Analytics as eligible for SS this fall. The avg. GPA of this group is 1.82 Avg.
- 68 students have submitted their SS Registration and 4 of those have since withdrawn or deferred enrollment to spring.

The college UAAC representatives and the ARC have a list of the students registered as of (9/21) and can also send a copy of the report in Analytics if that would be helpful.

Program Check sheets

Many/most programs maintain a document that summarizes the degree requirements for each program offered. The ARC has agreed to take on the task of collecting a full archive of these check sheets for all program plans.

Please send your check sheets to the ARC email: advising@email.arizona.edu
