

Happy Fall!

As your semester is winding down and finals are ramping up, we want to let you know of opportunities still available to your students.

We would appreciate you recommending any of the below positions to your students and also welcome any student recommendations you have for us.

We are currently looking for:

Management Trainees (MTs):

Communications
Farms
Feed Ingredient Merchandising
Feed Mill
Plant Maintenance
Plant Production
Plant QA
Plant Shipping
Sales
Transportation

Interns:

Biodiesel Production
Environmental Resources
Feed Mill
Plant Production
Transportation

Sean, a previous MT who has been promoted three times since being an MT, has this to say about the MT program: *“The mentorship in the trainee program set the foundation for my career at Seaboard Foods. It pushed me to learn more, ask questions, focus on perfecting my skills and hone my leadership abilities.”*

See what others have to say about the MT program here:
