

“I gained positive understanding of when and how to utilize negotiation skills”

Feedback from U of A Student

American women will have to wait until 2062 to bring home the same salary as their male counterparts.”

Jackie Speier, U.S. Congresswoman

Invest in your future!

Commission on the Status of Women

Even in high-paying STEM jobs, women are being shortchanged.

Women in engineering are paid only

82%

of what their male counterparts are paid.
