

Agency: [Tucson Village Farm](#), an urban educational farm built by and for the children of Tucson

Title: Farm Assistant

Position Primary Function/Purpose: The candidate in this position will work for Tucson Village Farm, a seed-to-table agriculture literacy program that reconnects youth to a healthy food system, teaches them how to grow and prepare fresh food and empowers them to make healthy life choices.

Major Responsibilities & Duties:

- Assist with farm duties to include: planting, harvesting, tilling, weed removal, watering, pest control, irrigation repair, compost management, farm beautification, caring for TVF's chickens and worms, and other general maintenance as determined by TVF Farm Manager.
- Organize and execute TVF's weekly U-Pick Market and outreach markets, including setup and breakdown of market, activities, and food demonstrations.
- Assist with curriculum development on farm-related subjects

- Assist with integrated pest management
- Assist with the organization and management of TVF volunteers.

Minimum Qualification: Willingness to work outdoors in various types of weather; Eagerness to learn about agriculture and urban farming

Required Availability: Flexible; morning hours preferable

Additional Compensation: Free vegetables whenever the garden allows!
