

6/10/20 Trellis Spring Review update meeting

Recurring availability for appts, busy & drop-ins for max of 90 days out.

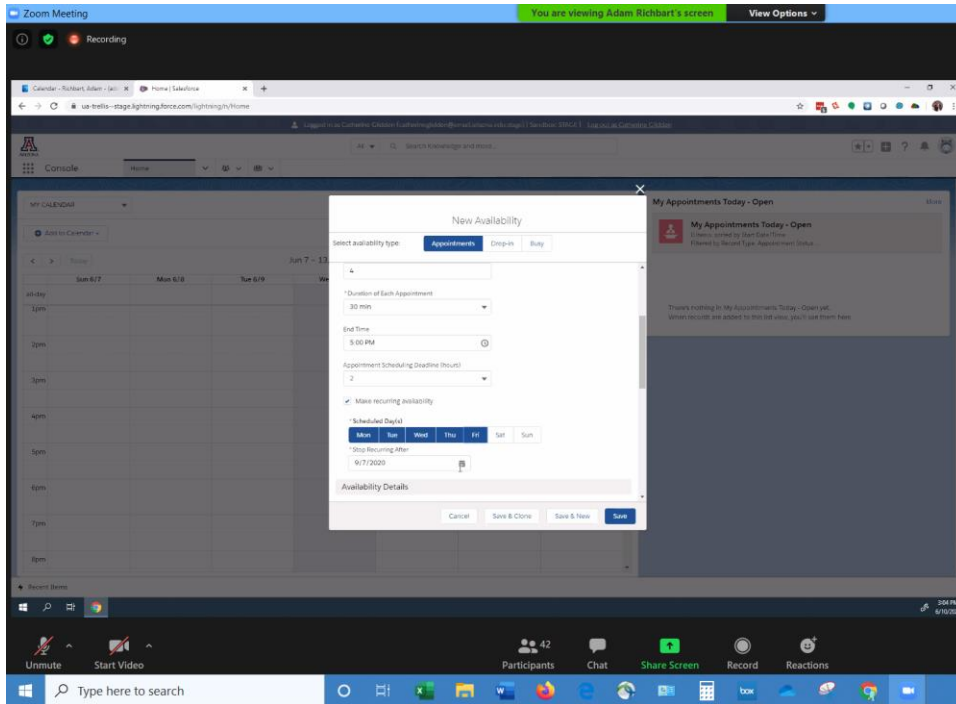

Recurring availability can be edited for one day and not impact future recurring scheduled times.

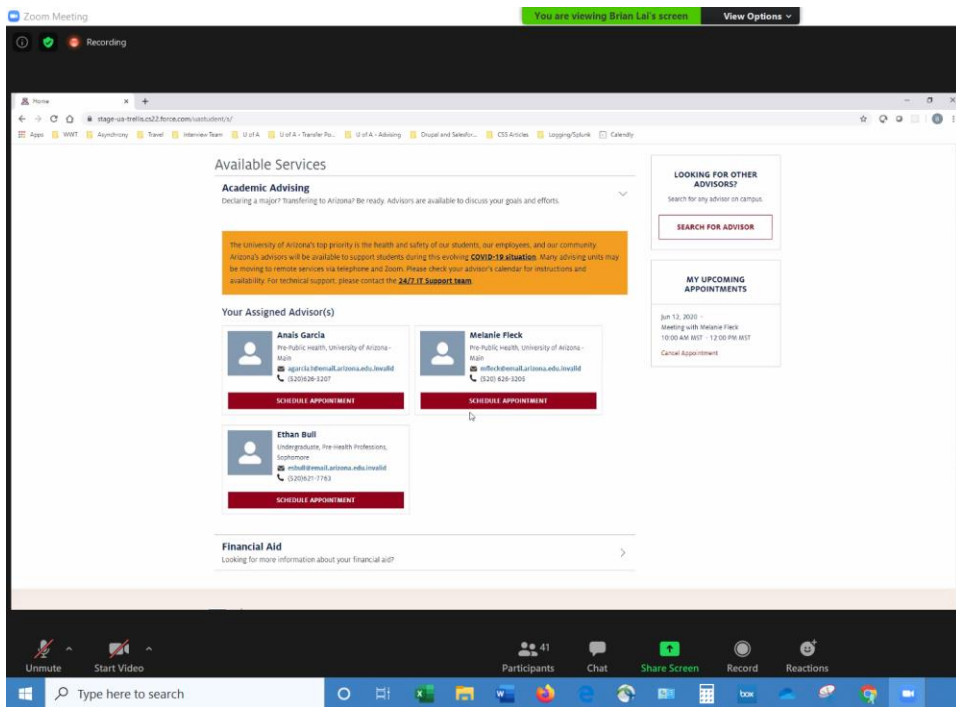

Any edited recurring dates will become detached from the recurring series. The recurring swirl icon indicates which availability is recurring.

Editing recurring series will not change on dates with a conflict, it will allow you to make the recurring edit, but the conflicting dates/times won't accept the update.

Don't create or modify availability in the past.

Financial Aid is added to the student trellis view

Updated advisor cards on the page too.

Added Honors College as searchable college and advisor
