Home of the Ping-Pong
Whiteboard

- Interested in building competencies that will help set you apart in today's highly competitive job market?
- Are you looking for a smaller class setting that will enable you to pursue your own ideas?
- Do you want to learn how to be more creative and innovative?
- Curious about how the entrepreneurial process works?
- Would you like opportunities to network with a diverse range of leaders, entrepreneurs, and innovators from across the Southern Arizona community?
- Would you like to build your confidence to share your ideas with others?
- Would you like to present your ideas to a conference full of likeminded innovators?
