THE GLOBAL COMMUNITY
FOR ACADEMIC ADVISING

CORE VALUES

The **NACADA Statement of Core Values** reflects the many cultural and educational contexts in which academic advising is practiced globally. A diverse, globally represented task force in conjunction with the input of NACADA members contributed to the creation of the statement. By virtue of this process, this document represents the Core Values of the academic advising profession as a whole. These values apply to all who perform academic advising by any role, title, or position as educators at their institutions.

While nations, institutions, and students will offer unique circumstances, the Core Values provide guidance to academic advisors in their professional lives. Academic advisors are committed to the students they advise, their institutions, their professional practice, and the broader advising and educational community. There may be times when balancing all Core Values equally is not possible. In those instances, academic advisors are encouraged to reflect and engage other academic advising professionals in a dialogue to resolve any conflict to the best of their ability.

The Statement of Core Values is reviewed periodically to ensure its alignment with current professional practices, competencies, and philosophies. NACADA: The Global Community for Academic Advising encourages institutions to adopt the Statement of Core Values and support the work of those who provide academic advising.
