# SOFTWARE CARPENTRY WORKSHOP

APPLICATIONS ACCEPTED NOW!

**FEBRUARY 17 & 18, 2024**

(Two full weekend days)

**UArizona Campus | 9:00a.m.-5:00p.m.**

## WORKSHOP

Software/Data Carpentry Workshop (in-person mode)

## WHAT

Basic Computational Skills, incl. Unix, R/R-Studio, & git/GitHub

## WHO

Practicing and aspiring research scientists with no or little experience in working on the command line, programming & version control

The BIO5 Institute, CyVerse, the University Libraries and the D7|Data Science Institute will again present this important workshop in February 2024 in-person at the UArizona. Come and learn the foundational skills necessary to be productive in small research teams!

The workshop targets graduate students, postdocs, technicians, and faculty. Undergraduate students can be admitted if space is available.

**Workshop participation is free. For more info visit the URLs provided at the left.**

## APPLY
