

SUPPORTING WOMEN IN ACADEMIA

With Raina Maier, Elise Gornish, Ashley Snider,
Theresa Crimmins, Jacqueline Maximillian &
Eva Romero

Goals of this workshop:

- Let women who are grad students and faculty know they are not alone
- Share resources and experiences that support women in their degree attainment and careers
- Highlight ways ALVSCE can better support women grad students and faculty
- Address the gap between the large population of women who are undergrads and grad students but much smaller population of women who are faculty
- What lessons can be learned from individual experiences that translate into improvements at the organizational level?
