

NOTICE

Announcement of 2015 Research Priorities

Arizona Cotton Growers Association

Arizona State Support Committee

The Arizona Cotton Growers Association and its State Support Program Committee, after careful consideration, are announcing its research priorities for 2015.

The Association and the State Support Committee will seek research proposals this fall for the following project priorities, in no particular order:

1. Cotton Production Activities
2. Insect Control
3. Water/Water Conservation
4. Dust Control in Pinal County
5. Advanced Strains Trials
6. Herbicide Resistance Management

If there are questions, please contact Rick Lavis at the ACGA at (602) 437-1344.

A formal Request for Proposals will be announced in Mid-September.
