Diomides S. Zamora, PhD
National Program Leader in Forest Resource Management
Institute of Bioenergy, Climate and Environment
National Institute of Food and Agriculture
U.S. Department of Agriculture

Dear Dr. Zamora,

We are pleased to announce the annual meeting for the Western Coordinating Committee to be held in southern New Mexico from October 17-20, 2022. Please see attached agenda. As our NIFA representative, we would like to invite you to join us for this meeting to share a leadership message from NIFA as well as funding program opportunities that advance forest related sciences. The primary objective for our participants from across the West will be to share institutional ideas to strengthen regional partnerships through open forums and shared experiences during meeting times and in the field. We hope you can join us for this valuable time with Extension foresters from across the West.

Respectfully,

A handwritten signature in blue ink that reads 'DSCram'.

Doug Cram
