

## MEMORANDUM

**DATE:** February 15, 2018  
**TO:** School of Animal and Comparative Biomedical Sciences Personnel  
CALs Administrative Cabinet  
CALs Unit Heads  
**FROM:** Shane C. Burgess   
**SUBJECT:** Search Committee for Next ACBS Director

I received broad input, recommendations and nominations for the search committee for the next director of the School of Animal and Comparative Biomedical Sciences. I am pleased to notify everyone that I have appointed the following individuals to serve on the search committee:

**Jon Chorover**, Soil, Water and Environmental Science (*chair*)  
**Steven Archer**, Natural Resources and the Environment  
**Peder Cuneo**, Animal and Comparative Biomedical Sciences  
**Dennis Dugan**, Dugan Dairies  
**Duarte Diaz**, Animal and Comparative Biomedical Sciences  
**Hanh Do**, Animal and Comparative Biomedical Sciences  
**Samuel Garcia**, Animal and Comparative Biomedical Sciences  
**Marianne Hadden**, CALs Development, Alumni, Advocacy and Corporate Relations  
**William Hendricks**, Translational Genomics Research Institute (TGen)  
**Sean Limesand**, Animal and Comparative Biomedical Sciences  
**Jeff Menges**, Menges Ranch  
**Aurora Plascencia**, Animal and Comparative Biomedical Sciences  
**Dari Trujillo**, Animal and Comparative Biomedical Sciences  
**Koenraad Van Doorslaer**, Animal and Comparative Biomedical Sciences  
**Gayatri Vedantam**, Animal and Comparative Biomedical Sciences  
**John Scott Wilbur**, Animal and Comparative Biomedical Sciences

I am most appreciative of all those who are dedicating their time to this important search. Their service on the committee is highly valued.
