The Commission on the Status of Women Presents:

Organizational Core Values and The Five Dysfunctions of a Team

James Felton is a consultant for The Table Group founded by Patrick Lencioni. In partnering with The Table Group, Mr. Felton brings 20 years of experience in providing practical resources for making organizations healthier, teams more cohesive, and employees more engaged and fulfilled in their work.

His discussion on **The Five Dysfunctions of a Team** outlines the root causes of politics and dysfunction on the teams where you work, and the keys to overcome them.

James will discuss how **The Ideal Team Player** embodies three virtues: humility, hunger, and people smarts. The power this combination yields drastically accelerates and improves the process of building high-performing teams.
