\*\*Some health centers require you to be a patient in order to get a test. Call first to ask for details or to learn about testing events they may be hosting.  
 \*\*Note: If you have insurance, you may be responsible for a co-pay. This depends on your insurance plan. Please contact your insurance provider before getting a COVID-19 test to ask about costs you may be responsible for. If you do get a bill for a COVID-19 test, please contact your insurance company as they may waive the fee for you
