NextCare	2080 W Southern Ave Ste. A-1 Apache Junction, AZ 85120		Tues: 8am-8pm Wed: 8am-8pm Thur: 8am-8pm Fri: 8am-8pm Sat: 8am-8pm Sun: 8am-8pm						NextCare and its family of brands has announced it will begin using the new Abbott ID-NOW technology to test for COVID-19. This new test is groundbreaking in both its design and efficiency and allows patients to receive their results in under 15 minutes. If a patient is positive for COVID-19, a result will be known in as little as 5 minutes and if a patient is negative for COVID-19, a result will be known in as little as 13 minutes. The efficiency of ID-NOW COVID-19 is helpful in not only allowing the patient to know their specific result, but the speed of the test allows healthcare professionals to make appropriate and more efficient treatment and infection control decisions. Due to limited supplies, at this time we are reserving these tests for patients who have met provider-determined criteria.
