These **live, unrecorded FREE** Zoom sessions are designed for people who are preparing for the National Pesticide Applicator Core Certification Exam for agricultural and structural pest control certifications. However, anyone who is interested in learning more about pesticide safety is welcome to attend. Please feel free to forward this pre-registration notice to others.

**Note about CEUs:** Continuing education units (CEUs) will be offered through these sessions to Arizona certified agricultural and structural applicators and Pest Control Advisors who answer polling questions scattered throughout the sessions. Please make sure you log in using a device that correctly identifies you by first and last name and enables you to click on polling question drop down options. Two CEUs will be available for each unique full 2-hour session.
