Are you ready for a pesticide inspection?

Find out the fun way by participating in this **FREE** interactive course, brought to you by the Arizona Department of Agriculture and the University of Arizona Cooperative Extension.

During this course, you will

- Learn about the pesticide inspection process and factors that might lead to an inspection.
- Identify items and situations currently in compliance with state and federal requirements and correct those that are not.
- Review Form 1080s, pesticide application logs, and training records.
- Receive compliance resources and contacts.

**UNIVERSITY OF ARIZONA
MARICOPA AGRICULTURAL CENTER
37860 W SMITH ENKE RD
MARICOPA, AZ 85138**

Directions: You can find detailed directions to the Maricopa Ag Center (MAC) from Phoenix, Tucson, or Yuma, by scrolling down to the end of MAC's webpage:

<https://mac.arizona.edu/maps-directions>

You'll know you're getting close to the course location when you see the blue University of Arizona property sign and a big dip in the road. The course will begin in the large meeting room inside the MAC building (shown above). The building is on the left side of the road, a field or two beyond the blue UA sign. ***Parking is free.***

Important Travel Tip: Don't take Casa Blanca Road even if your GPS or phone app leads you that direction. That route often takes you to a locked gate.
