These **live, unrecorded FREE** Zoom sessions are for people preparing for the National Pesticide Applicator Core Certification Exam for Arizona's Agricultural and Structural Pest Control Certifications. However, anyone who is interested in learning more about pesticide safety is welcome to attend. **Continuing education units (CEUs) will not be available.**

Study Guide: The National Pesticide Applicator Certification Core Study Manual is available for free through the [link](#).

Online Practice Pre-Tests: Course participants will receive links to four free online practice pre-tests to complete prior to each session.

Preregistration is required by Friday, August 9, 2024

Open the preregistration form by clicking the blue box to the left or by using your cellphone to capture the QR Code to the right.

After you preregister, you will receive an email from Jennifer Weber, jennyweber@arizona.edu containing a document with clickable links to each session listed in the calendar above and the online practice pre-tests.
