RECOMMENDED STUDY MATERIALS

Participants who complete the Pesticide Applicator Precertification course will receive a free copy of the National Pesticide Applicator Certification Core Manual, which is the main study guide used for both the agricultural and structural Core Exams.

The National Pesticide Applicator Certification Core Manual is also available online as a free downloaded pdf through the link:

<https://agriculture.az.gov/sites/default/files/PesticideApplicatorCoreManual.pdf>

People interested in becoming Certified Commercial Agricultural Pesticide Applicators (PUCs) can find ordering information for **agricultural commercial category exam** study guides on the AZDA webpage:

<https://agriculture.az.gov/esd-study-materials>

Structural (PMD) category exam outlines and recommended study materials are listed on the webpage: <https://opm.azda.gov/> Click on *Industry Resources*, followed by *Certification Testing and Training*, and then select your preferred category.

If you have questions about Arizona Pesticide Applicator certification exams, study materials, and processes, contact
