Dear Dr. Morales Martinez,

On behalf of the Food Safety Consortium (FSC), we are honored to invite you to speak at the 2025 annual Food Safety Conference. The annual Food Safety Conference is one way in which the FSC works to bring down barriers between University of Arizona departments, colleges, agencies and the food and agricultural industry to facilitate food safety related research collaborations and expand grant opportunities for its members. Through conference presentations and networking events, attendees can enhance their relationships with fellow researchers, students, industry members, and state agencies, increasing their ability to respond to existing as well as emerging food safety challenges.

The 2025 annual Food Safety Conference will be held virtually, via Zoom, on October 29th from 1:00 pm – 5:00 pm MST (Phoenix, AZ time). Your presentation is currently scheduled for October 29th at 4:15 pm for 30 minutes. Once you register for the conference, you will receive a Zoom link to join the conference.

We believe your participation will be a critical addition to the Food Safety Conference and are very thankful for your time and contribution. We are very much looking forward to your presentation.

Sincerely,

Sadhana Ravishankar, Ph.D.
Food Safety Consortium Chair
