

## Pesticide Applicator Precertification Workshops Input & Ideas Questionnaire

The University of Arizona, Pesticide Safety Education Program is interested in your input and ideas for the 2026-2027 Pesticide Applicator Precertification Core Workshops. Will you please take a moment to answer 9 questions about workshop scheduling, training sites, and promotion? Thank you.

You are welcome to respond to the questions yourself or on behalf of others, such as employees, coworkers, or family members.

- 1) Would you be interested in attending a two-day, in-person workshop designed to prepare attendees for the Pesticide Applicator Certification Core Exam?

YES

NO

MAYBE

- 2) If you are not planning to take the Core exam, would you be interested in attending the first day only of the two-day, in-person workshop described above to increase your pesticide safety knowledge and skills? A certificate of attendance would be provided.

YES

NO

MAYBE

- 3) In addition to English, do you see a need for workshops and/or pesticide safety informational materials in other languages? Please either type "no" or list the preferred language(s). \_\_\_\_\_

- 4) What towns or cities would be good locations to offer workshops? \_\_\_\_\_  
\_\_\_\_\_

- 5) What months or seasons would be the most convenient for people to attend a workshop in the area(s) you listed above? \_\_\_\_\_  
\_\_\_\_\_

6) It can be difficult to find a free or low-cost training room that seats 30-35 people comfortably with tables and chairs. Do you have a suggestion for a meeting room or training site you would like me to research? If so, please include it in the space below.

---

---

7) Which of the following are reliable ways for you to learn about and/or let others know about upcoming pesticide workshops and events? Please select all that apply.

Listserv messages

Industry newsletter announcements

One printed copy of workshop notice sent by ground mail

A stack of printed workshop notices you can hand out to others

Workshop notices you can place on office or community bulletin boards

Calendar of events printed in local newspapers

Industry magazine ads or articles

Websites

Other: \_\_\_\_\_

8) Are there other people, companies or groups you think would like to receive notices about future pesticide workshops? If so, please enter their name, email address or phone number. \_\_\_\_\_

---

9) If you would like to receive notices by ground mail and/or help to distribute workshop flyers to others, please include your contact information below. \_\_\_\_\_
