***With Emilio Oyarzabal, Ph.D.  
Academic Outreach Lead,  
Bayer Crop Science  
Global Plant Breeding***

Join the Innovation Collaboratory in a virtual discussion of the importance and competitive advantages of having **an entrepreneurial mindset in the 21st century corporate environment**. Hear how the entrepreneurial mindset extends beyond starting your own business to include **leading transformative initiatives from within established industries**. This discussion will begin with Dr. Oyarzabal sharing his **executive perspective on the value of the entrepreneurial mindset** to be followed by an open discussion that will be moderated by Emre Toker, CALS Innovator-in-Residence.

Don't miss the puppet alter egos of Dr. Matt Mars and Emre Toker presenting their podcast series of community innovators at @GO\_INNOVATE\_ COMING BACK SOON – STAY TUNED!
