

How to Access the ENR2 Rooftop and N604

The ENR2 6th floor/roof can be accessed via **elevator 2** or the **east and west stairways** for your event.

- The elevators are located at the northwest corner of the building, west of the restrooms in the courtyard on the first floor.
- The stairs are located on both the east and west sides of the building.

Taking elevator 2 the 6th floor

1. Elevator 2 is the only car that goes to the roof. Using the call button on the inside of the elevator frame, you can call that car specifically

Only the right-hand car.

Press the **inside** call button.

2. Once inside the elevator, press the “R” button for the roof. This will take you to the 6th floor, and exit onto the roof patio area. **Note: This feature is locked outside of scheduled event hours.*

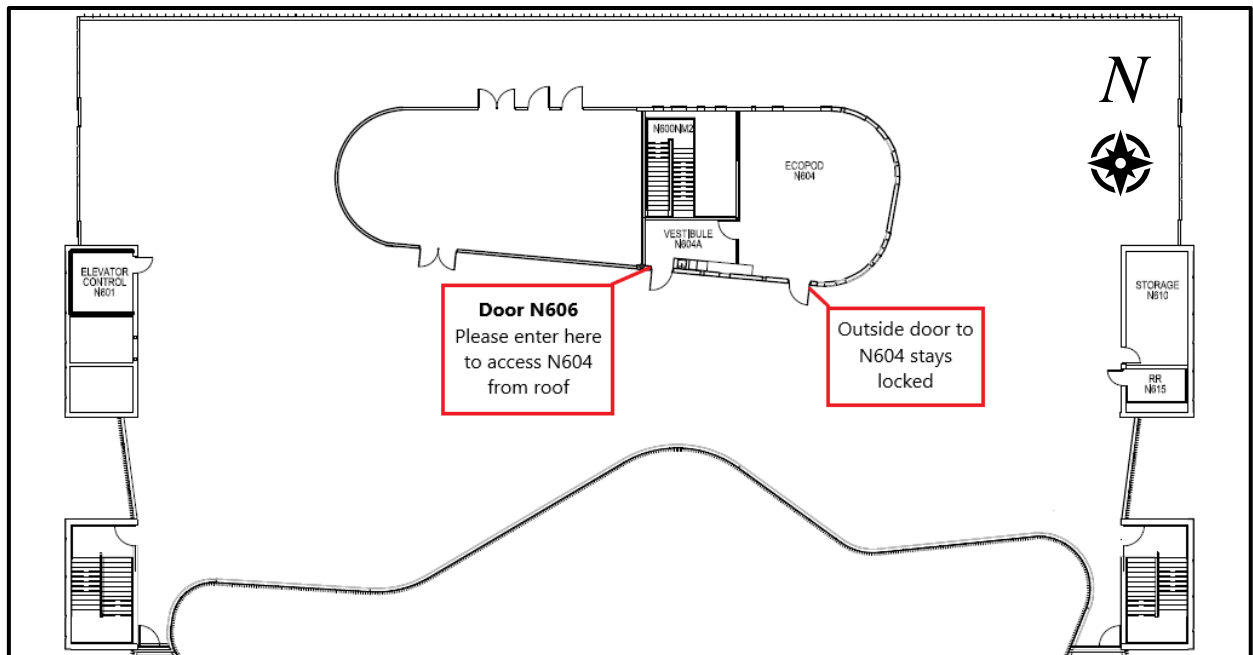

3. Once on the roof, enter through the door for N606 to access stairs to the 5th floor north lobby and doors.

Elevator opens to roof

Use N606 door to access N604

Where are the nearest restrooms?

There is one all-gender restroom located on the northeast side of the roof.

Additional restrooms can be found on the 5th floor:

- Women's restroom at the northeast corner
- Men's restroom at the southeast corner
- All-gender restrooms (2) at the southwest corner
