

Zoom Translation Instructions

The 2024 SRM Annual Meeting will be held in-person, but also streamed virtually for those unable to attend. Virtual participants will have the ability to utilize Translated Captions when viewing the meeting events. Simply follow the instructions below to utilize this service on each of the meeting's streaming events:

Participants:

Prerequisites for viewing translated captions:

- Windows 5.10.6 or higher
- macOS: 5.10.6 or higher

How to View Translated Captions:

- Join the meeting
 - In order to "Join" a meeting live, or to view the recording after it has taken place, you will need to click "Add" when viewing the session in the schedule online.
 - Once you have clicked "Add", you will be able to "Join the Meeting" or find the recording in the list of "Materials" offered.
- Then, once in the live stream, or recording, click the ^ on the **Show Captions** button
- Under the **Translate to** section of the menu, click the preferred language.
