UofA Plant Sciences
[Redacted Address]

Dear UofA Plant Sciences,

More than 200,000 people benefit from the Food Bank's emergency food relief services every year. But, it wouldn't be possible without you.

Because of your gift of 48 pounds of food in the month of December 2015, Kaylee and her daughter — and so many like them — will sit down to enjoy a meal together.

Kaylee had a job; lost a job; got a job; lost a job. She's sick of the cycle is going back to school to become a dental hygienist. She told us, "It's hard being a single mother and going to school. Sometimes we just don't have enough to get by. This has been the toughest year of our lives."

You've given her a great gift — the assurance that she is not alone, that people like you care, and everything will be okay. And, sometimes, that is just what a person needs to move forward through their most challenging times.

Thanks to you, we can provide food — and hope — to people in need across 23,106 square miles (and five counties!) of Southern Arizona.

Your gift is a blessing to so many. It provides not only nourishment, but hope and the opportunity for a better tomorrow.

Sincerely,

Hilary Beggs
Special Events Manager
