

to celebrate the 5th year of the student-organized

UC Davis Plant Breeding Symposium

April 18th 2016

we will be offering **5 x \$500 Travel Grants**

for graduate students from outside institutions to present their research

TO APPLY FOR A TRAVEL GRANT

Submit a poster abstract (<250 words) and register for free at plantbreeding2016.ucdavis.edu by **February 29th**

This year's theme is "*Breeding for Stress Resilience*"
—but all plant science related research is eligible to submit!

Travel grants & symposium funding made possible by sponsorship from:

& the UC Davis Graduate Student Association (GSA)
