

The Biological and Biomedical Joint Seminar Series

(Hosted by the Departments of Molecular & Cellular Biology, Chemistry & Biochemistry,
and Cellular & Molecular Medicine)

"Fine-tuning of cardiac contraction: Mechanistic insights from muscle protein structural dynamics using spectroscopic probes"

Brett Colson, PhD

Cellular & Molecular Medicine
The University of Arizona

Wednesday, September 14, 2016

Bio Sciences West, Room 208

11:00 – 12:15

Host: Dr. Ross Buchan (MCB)
