

Ecosystem Genomics Seminar Series

Fall 2018

Dr. Katrina Dlugosch
Associate Professor
Evology and Evoluinary Biology
University of Arizona
<https://medium.com/dlugosch-lab>

**Genomics of plants and their associated microbes:
evolution of species interactions and its potential
role in plant invasions**

Thursday, October 25 @ 4:00pm
MRB 102

Social hour @ 1702 immediately after
1702 E Speedway Blvd
