

## Special Invitation for 2-Year College / Community College / Tribal College, HSI-HE and HBCU Faculty

The Botanical Society of America is happy to offer several awards including **normal travel and conference expenses** for Botany 2019 in Tucson, Arizona (July 27-31). These travel awards are designed for **faculty** at 2-Year Colleges, Community Colleges, Tribal Colleges, HSI-HE and HBCU institutions. This is an exciting opportunity to attend an international botanical conference of six scientific societies and to share pedagogical and research ideas, as well as interact with 1000+ plant scientists from across the globe. For further information, please contact Ann Sakai (aksakai@uci.edu)

Faculty accepted for this award will be able to participate in the regular conference activities, including attending symposia, contributed papers, and presenting posters if desired. Special activities of interest include:

1. Planting Inquiry in Science Classrooms While Broadening the Botanical Pathway for Student - A workshop designed to include equity and inquiry-based learning that will encourage exchanging best practices and ideas for engaging students from diverse backgrounds in STEM learning
2. Contributed Paper Session that will focus on diversity and inclusion
3. Spotlight Session Symposium "Educating for a Diverse and Inclusive Community in

Botany for the 21st Century" including interactive discussion with the speakers
