

School of Plant Sciences Seminar

Tuesday, October 28 • 4pm • Marley 230 and Zoom*
Coffee, cookies, and collegiality: 3:30pm, Marley lobby

Dr. Rod Wing

Regents Professor • Bud Antle Endowed Chair
Director, Arizona Genomics Institute
School of Plant Sciences

*“Adventures with rice
and its wild relatives”*

*Sponsored by the School of Plant Sciences and the Ecosystem Genomics GIDP
Hosted by the PLS/PLP Seminar Class*

*Please join us in person if you can. Remote participation is also welcome:

(passcode: SPLS2025)

Rice is a key staple crop on which more than
half the world's population relies.

Dr. Rod Wing, a global leader in genomics, will highlight the
latest in exploring genomes of cultivated rice and its close
relatives. **Join us to learn more!**
