Request for Proposals

The Office for the Responsible Conduct for Research (ORCR) and the Graduate College are pleased to announce the final award cycle for the Small Grants Program in Research Integrity. Awards of up to $3000 will be made on a competitive basis for projects involving creative activities to design, develop, and implement innovative approaches to teaching the responsible conduct of research. The program is intended to encourage faculty/graduate student partnerships to develop training materials that demonstrate or discuss responsible research practices.

Areas of interest:

Conflict of Interest

Protection of Human Subjects

Protection of Animal Subjects

Authorhsip

Peer Review

Mentoring

Data Management

Recent project awards:
