

# University of Arizona Special Forma Sale

Fully warranted New Forma Ultralow Freezers ready to ship were built to compensate for factory relocation and Thermo product line reshuffle. Ultralow freezers are built when ordered so these units must be sold.

**Fisher scientific secured \$10,000 discount** for these freezers for UA laboratories.

Fisher is the only contracted University distributor so you pay **no shipping charges, no hazard charges, no competitive bids and no justifications, and you pay no sales tax.**
