FACULTY							
RESEARCH							
	faculty	provide seed grants to support interdisciplinary water/energy/envir research	WEES Research Grants	up to \$40,000	February	TRIF/WEES: Water Sustainability Program, Institute of the Environment, Renewable Energy Network	http://wees.arizona.edu/content/research-grants
	faculty	support interdisciplinary global change research and/or proposal development	Faculty Exploratory Research Grant	up to \$10,000	March	Institute of the Environment core funding*	http://www.environment.arizona.edu/funding-opportunities/faculty-grants
	IE faculty affiliates	IE contribution supports the class buyout of Udall fellows during their fellowship semester	Udall Fellowships	varies	spring	Udall Center with IE support from core funding*	http://udallcenter.arizona.edu/personnel/fellows.php
	faculty	development of final proposals for external awards greater than \$4M	WEES Proposal Development Support	up to \$20,000	ongoing	TRIF/WEES: Water Sustainability Program, Institute of the Environment, Renewable Energy Network	http://wees.arizona.edu/content/proposal-support
	faculty	provide cost shares on large (>\$100K) proposals	WEES Cost Shares	varies; requires 10:1 return on investment	ongoing	TRIF/WEES: Water Sustainability Program, Institute of the Environment, Renewable Energy Network	http://wees.arizona.edu/content/cost-shares
	faculty	support for renewable energy research including 1) new or novel work in renewable energy solutions, 2) interdisciplinary work and collaboration in research and education, 3) development of research that can be funded by other agencies	UAREN Faculty Exploratory Grants	\$25,000	late March	TRIF/WEES: Renewable Energy Network	email Thomas McDonald at tom1@email.arizona.edu
EQUIPMENT	faculty/grad students	1) Research and analysis of economic and policy issues associated with renewable energy technologies that impact the state of Arizona and/or the region; 2) policy grants to support interdisciplinary research that include an socio-economic, economic, policy or consumer behavior component	UAREN Policy Center Grants	up to \$10,000	late March	TRIF/WEES: Renewable Energy Network	email Ardeth Barnhart at ardethb@email.arizona.edu
RECRUITING	faculty	purchase equipment or infrastructure that helps provide data needed for preparation of large interdisciplinary proposals in the area(s) of water, energy, and environment	WEES Equipment/Infrastructure Grants	varies	Feb. 24, 2012 (not every year)	TRIF/WEES: Water Sustainability Program, Institute of the Environment, Renewable Energy Network	http://wees.arizona.edu/content/equipment-infrastructure-grants
SPEAKERS	faculty must nominate incoming PhD students	PhD student research with focus on environmental communication	Carson Scholars - Earth Fellowships	\$5,000	Feb 15, 2012	Institute of the Environment core funding*	http://carson.arizona.edu/content/carson-earth-fellowship
	faculty must nominate incoming PhD students	1) recruiting assistance for departments of PhD students who will minor in global change 2) increase new graduate student enrollment in global change, 3)support Global Change program	Carson Scholars - Global Change Fellowships	\$5,000	Feb 15, 2012	Global Change Interdisciplinary Program	http://carson.arizona.edu/content/students-version-global-change-fellowships
WORKSHOPS	faculty/staff/students	travel/lodging support for bringing distinguished water/energy/envir speakers to campus	WEES speaker grants	up to \$1,000	mid-spring	TRIF/WEES: Water Sustainability Program, Institute of the Environment, Renewable Energy Network	http://wees.arizona.edu/content/seminar-speaker-grants
	faculty	support for short lead-time events/activities/speakers	IE event support	up to \$750	ongoing	Institute of the Environment core funding*	email Betsy Woodhouse at woodhou1@email.arizona.edu
WORKSHOPS							
	faculty/staff/students	support for interdisciplinary water/energy/envir workshops	WEES general workshop grants	up to \$5,000	mid-spring	TRIF/WEES: Water Sustainability Program, Institute of the Environment, Renewable Energy Network	http://wees.arizona.edu/content/workshop-grants

	faculty	support for workshops to coordinate large projects and/or proposals with water/energy/environment focus	WEES capacity building workshop grants	up to \$20,000	Feb 24, 2012	TRIF/WEES: Water Sustainability Program, Institute of the Environment, Renewable Energy Network	http://wees.arizona.edu/content/capacity-building-workshop-grants
GRADUATE STUDENTS							
RESEARCH							
	Incoming or current PhD students	support top graduate students and create a network of environmental scientists and communicators for the future.	Carson Scholars - Earth Fellowships	\$5,000	Feb 15, 2012	Institute of the Environment core funding* and private donations	http://carson.arizona.edu/content/carson-earth-fellowship
	MS & PhD	support top students and create a network of energy engineers, scientists and policy makers for the future.	Carson Scholars -REN Energy Fellowships	\$5,000	Feb 15, 2012	TRIF/WEES: Renewable Energy Program	http://carson.arizona.edu/content/ren-energy-fellowships
	MS & PhD	support top graduate students and create a network of environmental scientists and communicators.	Carson Scholars - B2 Fellowships	\$5,000	Feb 15, 2012	Biosphere 2	http://carson.arizona.edu/content/b2-science-and-society-fellowships
	Incoming PhD students minoring in Global Change	attract and support high-level PhD students to the Global Change program	Carson Scholars - Global Change Fellowships	\$5,000	Feb 15, 2012	Global Change Interdisciplinary Program	http://carson.arizona.edu/content/students-version-global-change-fellowships
	faculty/ MS & PhD	1) Research and analysis of economic and policy issues associated with renewable energy technologies that impact the state of Arizona and/or the region. Areas include technology, economics, policy, environmental and societal impacts. 2) policy grants to support interdisciplinary research that include an socio-economic, economic, policy or consumer behavior component	UAREN Policy Center Grants	up to \$10,000	Late March	TRIF/WEES: Renewable Energy Network	emailArdethBarnhart at ardethb@email.arizona.edu
	PhD students in GCIP minor program	dissertation research in global change topics, including supplies, travel expenses for field research or professional meetings, data acquisition	Dissertation Improvement Grants	\$1,000	Early February	Global Change Interdisciplinary Program	http://globalchange.arizona.edu/gc_dig.html
	Undergrads and Grads	Supports exceptional undergraduates and graduate students on research related to water issues relevant to Arizona	Water Sustainability Program Student Fellowships	Undergrads about \$2500 Grads about \$16,000	March 30, 2012	TRIF/WEES: Water Sustainability Program	will be updated soon http://wsp.arizona.edu/education/student_fellowships Contact: Jackie Moxley jmoixley@cals.arizona.edu
TRAVEL							
	MS & PhD	travel to meetings/conferences, or field work related to water, energy, and/or environment	Graduate Student Travel Award	up to \$500	Feb 20, 2012 (for spring 2012) and April 2012 (for summer/fall 2012)	TRIF/WEES: Water Sustainability Program, Institute of the Environment, Renewable Energy Network	http://www.environment.arizona.edu/funding-opportunities/travel-awards
	MS & PhD	travel to meetings, conferences, or symposia to present their research or gain specific knowledge in the field of renewable energy	UAREN Travel Awards	up to \$500	Mid January	TRIF/WEES: Renewable Energy Network	email Thomas McDonald at tom1@email.arizona.edu
SPEAKERS							
	faculty/staff/students	travel/lodging support for bringing distinguished water/energy/envir speakers to campus	WEES Speaker Grants	up to \$1,000	mid-Spring	TRIF/WEES: Water Sustainability Program, Institute of the Environment, Renewable Energy Network	http://wees.arizona.edu/content/seminar-speaker-grants
WORKSHOPS							
	faculty/staff/students	support for interdisciplinary water/energy/envir workshops	WEES Workshop Grants	up to \$5,000	mid-Spring	TRIF/WEES: Water Sustainability Program, Institute of the Environment, Renewable Energy Network	http://wees.arizona.edu/content/workshop-grants
