MENTOR Institute

Mentorship through Effective Networks, Transformational Opportunities, and Research

The MENTOR Institute Unit Certification is at the unit level and demonstrates that faculty and/or graduate students have learned best practices for establishing intentional mentoring partnerships and communities and are committed to demonstrate them to the best of their ability. Application materials will be submitted by the department head or designee.

What is a MENTOR Institute Certified Unit?

▶ A department, school, division, or unit within the university.

▶ Any combination of 75% of the full-time faculty and graduate students.

▶ Completion of Level 1 MENTOR Institute Online Training and Level 2 Synchronous training developed by the University of Arizona MENTOR Institute.

The deadline to apply for the 2024-2026 designation is 5:00 p.m. on Friday, May 10, 2024, in Cultivate.

For more information, please visit the MENTOR Institute website.

If you have any additional questions after doing so, please contact Tara Chandler, Assistant Director, MENTOR Institute at chandlet@arizona.edu or 520-626-4559.
