

AGRICULTURE WITHOUT BORDERS PRESENTATION

The U.S. Department of Agriculture assists farmers with production, marketing, distribution, and information in the United States, USDA is also present around the world to ensure that America's bounty supports food security around the world. This presentation will cover how USDA does that, what sorts of challenges are confronted, and how you can join the mission, whether as a future employee, grant recipient, or technical advisor.

Jim Suits

Senior advisor for the USDA's
Foreign Agricultural Service

Date: 27 February

Time: 11:00-12:00 PM

Location: ENR 2 room S107
