3-year rolling average course enrollment data Fall

Priority ranking	Course number	Modality	Instructor	Proposed number of 0.5FTE TAs	Updated Enrollment F22	Fall 2023 Enrollment	Rolling Avg. Enrollment	Notes
1	MIC205A/L	In person and online	Xiong	3	337	404	370.5	213 person + 191 online; How many TA's does SPLS assign?
2	MCB 181R	In person	Yadegari	2	144	279	211.5	
3	PLS 340	In person (+ online section after April)	Orchard	2	84	88 (+Kazakhstan) = ~150	~150	Instructor needs at least 0.75 FTE TAs (0.5 + 0.25), preferably 2 x 0.5 FTE. With an online and in person section = ~140 UA students, instructor anticipates having ~150 this Fall with the Kazakhstan students.
4	PLS 170C1	Online	McMahon	1	60	133	96.5	
5	PLP 329A	In person and online/distance	Arnold	1	75	117	96	
6	PLP 305	Online	Pryor	0.5	33	52	50 -> 80	Enrollment Cap increased to 80
6	PLP 305	In person	Wickramage	0.5	13	25	40->60	Cap increased to 60; Wants to cap at 40 if no TA or 60 if TA; could combine TA support for PLS 170C3+PLS 305 for Wickramage, or combine TA support for PLP 305 in both modalities and then split the TA time by % enrollment in each section.
8	PLS 170C3	In person and online	Wickramage	0.5	15	12	60	Is now refreshed- big jump in enrollment expected- will likely need at least a 0.25 FTE TA.

Proposed Graduate Summer Support

Shift from PI funded supplemental compensation to summer stipend: no ERE costs, reserves research funds for redeployment, spends down endowment surplus, students receive stipend in lump sum at the beginning of the summer.

Costs:

11 Graduate Associates X \$8,142.17 = \$89,563.87
 14 Graduate Assistants X \$7,609.50 = \$106,533.00
 Total \$196,096.87

Graduate Program Endowment Account Balances: 2/15/2024
