Completed applications can be mailed or emailed.

BRUCE BRIGGS MEMORIAL SCHOLARSHIP

The International Plant Propagators' Society (IPPS) Western Region awards the Bruce Briggs Memorial Scholarship to deserving students in horticulture educational programs. The late Bruce Briggs was a proud and active member of the Western Region of IPPS. He enjoyed students and promoted IPPS worldwide.

This scholarship is given each year to college and/or university students who are studying plant propagation and demonstrate a strong interest in pursuing propagation as a career. **The scholarship pays for students to attend the annual International Plant Propagators' Society meeting held in the Western Region.** Both the registration fee (includes most meals) and accommodations (shared) are covered by the scholarship. Travel costs are the responsibility of the scholarship recipient. **This year the meeting will be held at the Tempe Mission Palms Hotel & Conference Center in Phoenix, Arizona from October 19-22, 2016.**

The annual meeting gives the students the opportunity to interact and hear presentations on various areas of plant propagation. A tour of nursery propagation facilities and affiliated businesses is an integral part of the scheduled activities. The number of scholarships awarded is determined by the cost of the meeting and hotel rooms for that year. An added benefit of the award is a one-year student membership to IPPS. Previous scholarship recipients are not eligible for a second scholarship.

Application

Name: _____

Current Address: _____

Telephone: (____) _____

Permanent Address or Contact (between semesters):

Telephone: (____) _____

Email: _____

College/University: _____

___ Full-time ___ Part-time Major: _____

Projected Graduation Date: _____ Degree (circle one): MS BS AS

Will you be a student in the fall semester of 2016? ___ Yes ___ No

Professor's name: _____

Telephone: (____) _____

Email: _____

A reference letter from your Propagation Instructor/ Professor is required.

This can be sent via email or mail along with your application.

Application Continued on Next Page

Briefly discuss the following
(use additional sheets of paper as needed)

1. List plant propagation courses you have taken.
2. Briefly describe any work experience and interests in plant propagation.
3. Why are you interested in attending the IPPS Conference?
4. How does plant propagation relate to your career goals?
