

# *Interactive Teaching*

## Workshop

**Wednesday, April 12, 2017**

**3:00-5:30 PM**

**BIO5/Thomas W. Keating Building, Room B103**

**1657 E. Helen Street**

**Free and open to the public**

Five of the UA's top teaching professors will share insights on interactive teaching. Attendees will learn techniques for implementing interactive teaching techniques into their teaching repertoire, regardless of classroom type.

### **Workshop Facilitators**

**Paul Blowers**

Distinguished Professor, Chemical and Environmental Engineering

**Bryan Carter**

Associate Professor, Africana Studies

**Lisa Elfring**

Associate Professor, Molecular and Cellular Biology

**John Pollard**

Associate Professor of Practice, Chemistry and Biochemistry

**Edward Prather**

Associate Professor, Astronomy
