

Hear Mexican poet/environmental visionary **Homero Aridjis**, solar engineer **Vasilis Fthenakis** & humanities scholar **James Ramey** discuss
an alternative to “the wall” that bridges cultures & nations rather than divides!
EARTH DAY WEEK, APRIL 20 THURSDAY NOON ENR2 Haury Auditorium. How might a wildlife-friendly,
“solar wall” benefit Mexican & indigenous border communities, while producing renewable energy & healthy food,
not acrimony?
