- Collaborate in a team to develop a solution to a global health issue.
- Present your solutions and network with doctors and other professionals.
- Open to all students.
- Encourage interdisciplinary teams

MISSION:

**PROMOTE AWARENESS
AND ALLOW STUDENTS TO
DEVELOP INNOVATIVE
SOLUTIONS FOR 21ST
CENTURY GLOBAL HEALTH
ISSUES!**

QUESTIONS

HOW DO I FIND FACULTY SPONSOR?

- In your classes or in your research labs inform a faculty member of the event and their role through: Email, Phone call, or In Person
- Secure Sponsor by March 1st
- Sponsor will guide your team during preparation of successful solution.

HOW TO FORM A TEAM:

- See who in your class or friend group is available and interested.
- Once you have a group of 4-6 register online at our competition home page.
- If you are an individual, register and we will create a team after March 1st for you.
