

## UA GRADUATE STUDENT BUSINESS CARDS

University of Arizona graduate students are a significant part of our university and should have a business card that states their affiliation. Graduate students will need to provide permission from their department/program head that confirms each student's status and verifies that business cards are needed. Confirmation may be sent via letter or email to Fast Design in the Student Union Memorial Center at **fdesign@email.arizona.edu** or call at **520-621-5305**.

Costs for Student Cards generally fall to the student who places the order, unless funded by the department. There is one (1) template option for Graduate Student Cards, which is based on the same template and same paper type as the Branded-Back business cards, but uses a blue triangle to differentiate the students.
