Workshop Overview

You have landed the interview, but now what? A panel of industry representatives with experience as hiring managers will share best practices and strategies for you to be more successful in your next interview.

Who should attend?

- Graduate students
- Postdoctoral scholars
- Faculty and staff who work with or mentor graduate students and postdoctoral scholars

Attendees will gain

- Insight into interviewing practices across fields
- Strategies for communicating value in an interview
- Ways to leverage your advanced degree and experience for positions in business and non-profits

Hosted by

The UA Graduate Center, UA Postdoctoral Affairs, and UA Research, Discovery and Innovation
