

Step Up for Women in STEM!

The Women in STEM Student Council (WiSSC) invites you to be a positive force on campus by applying to be on a Executive Committee in the 2019-2020 academic year!

Serving on a committee will provide an opportunity to work with the WiSSC Executive Board and enact constructive changes at UA.

Committees

Outreach, Communications, Female-Centered Policies, Funding, Mental Health, Visibility of Women in STEM, and Professional Development & Mentorship
